## OUR MORE SERIOUS MOMENTS...

Members of the Student Council took seriously their responsibility of insuring good school government and sound political principles.

Spiritual growth was nurtured as we began each day with morning devotions.

## EXPECTATIONS

When asked the question "What do you plan to do after graduation?" some enlightening facts were revealed.

Eighteen per cent reported undecided; 2 per cent plan to enter beauty schools; and less than 1 per cent will farm.

Tommy Martin is among the 11 per cent who plan to enter the Armed Service.

Bossie Causey will learn in trade school that machinery can be dangerous. Seven per cent will study in vocational or trade schools.

Marriage and homemaking will claim 12 per cent of the class. Betty Blount qualifies with a tasty batch of cookies.

Fourteen per cent can expect to enter the business world and Betty Sue Parker gets an early start.

Betty Burroughs  
Conway High School  
Conway, S.C.

Dear Betty,

Let me tell you first of all that it was a most difficult chore trying to choose so few beauties from so many possibilities. However, I've done my best to narrow the noble candidates down and here are the results:

Miss Mirror:	Evelyn Sansbury
Miss Senior:	Harriet Banner
Miss Junior:	Barbara Chestnut
Miss Sophomore:	Ida Sue Young
Miss Freshman:	Aurie Lou Gasrell

I'd like to congratulate the winners as well as all the candidates and wish you all the luck and success I know you all deserve. Thanks again for the opportunity and the privilege.

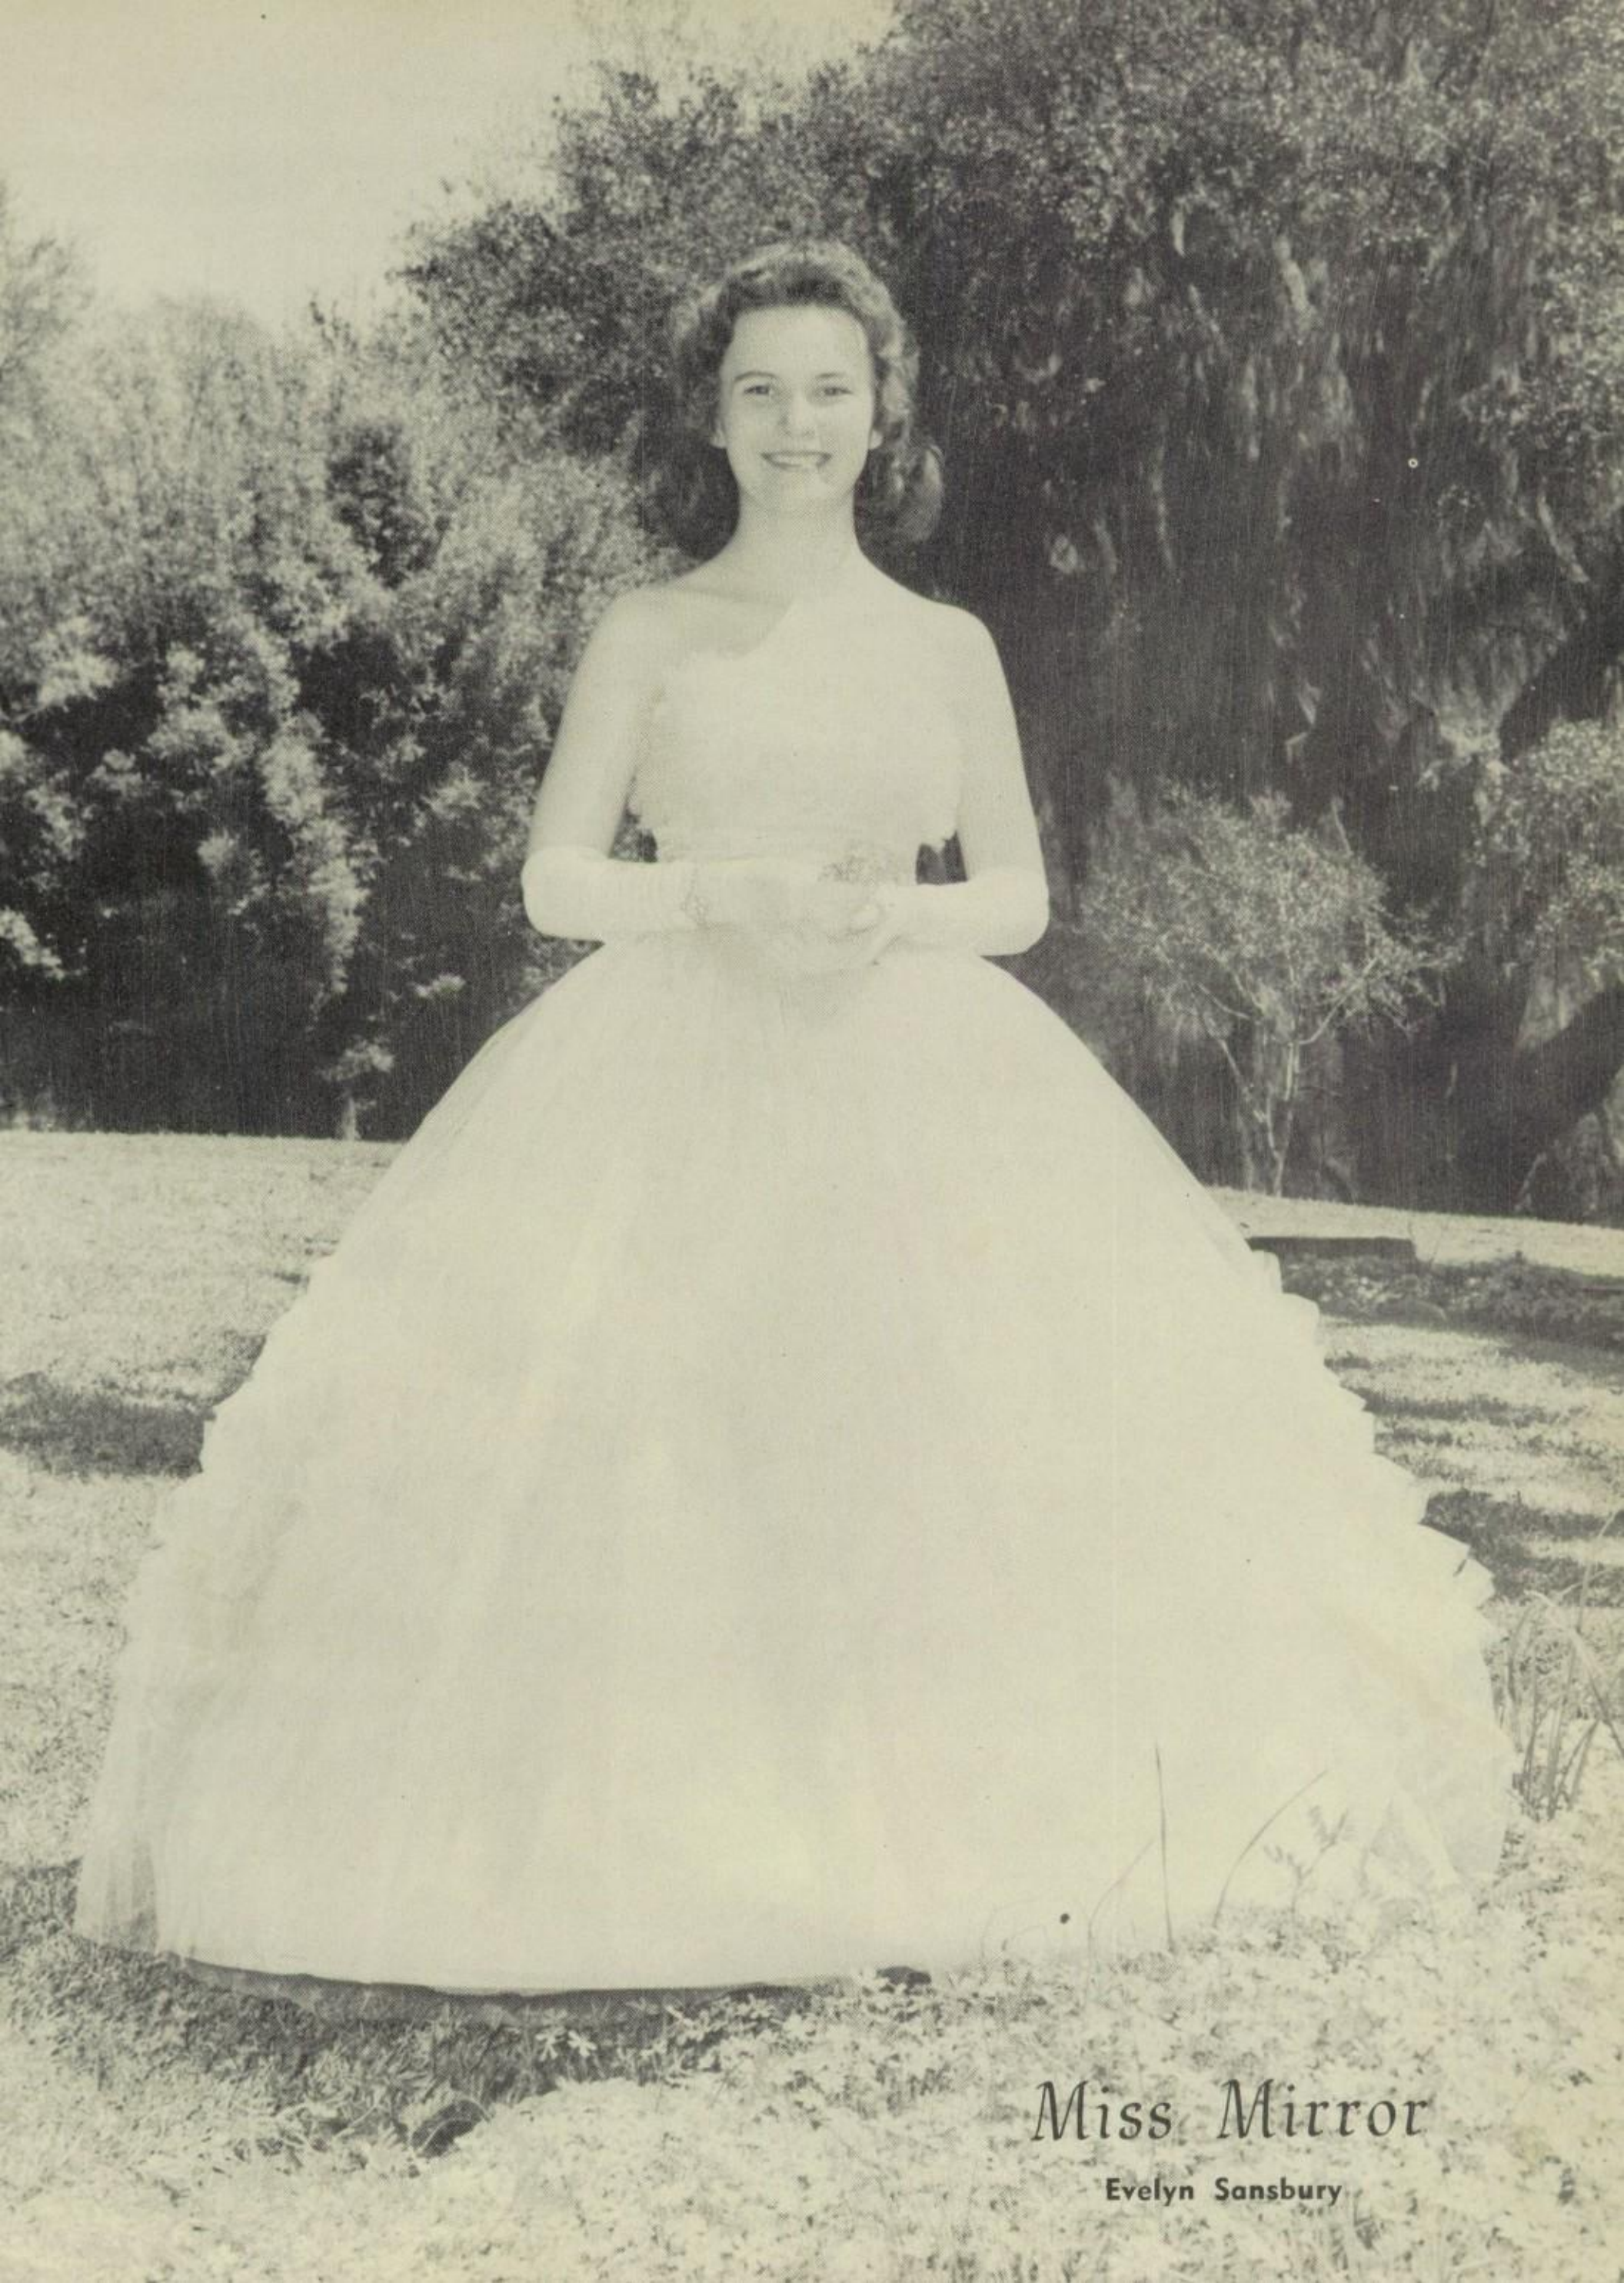

Yours sincerely,

## SCENES FROM *May Day 1957*

Needless to say, Mrs. Reesor finds supervising a "hot" job.

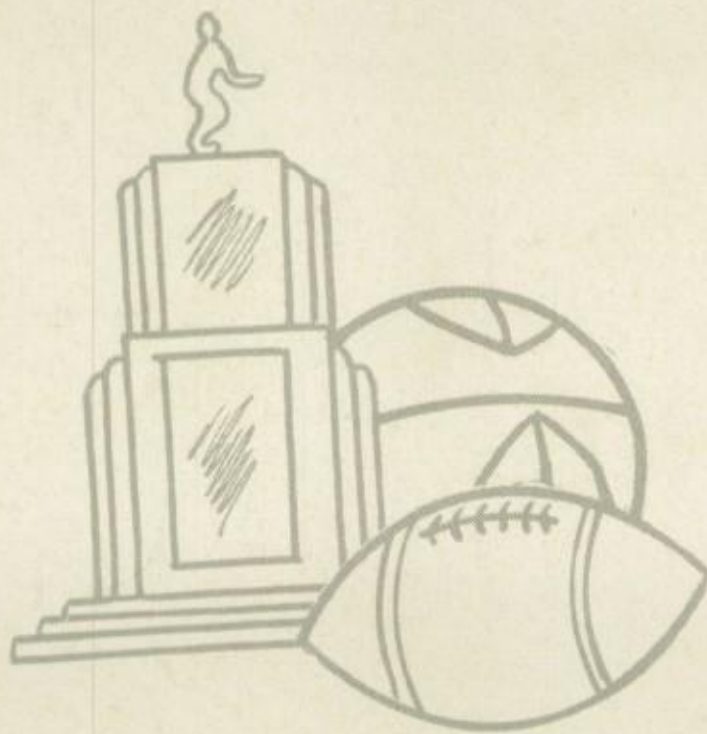

A panorama of beauty prevails as the court awaits the pageantry.

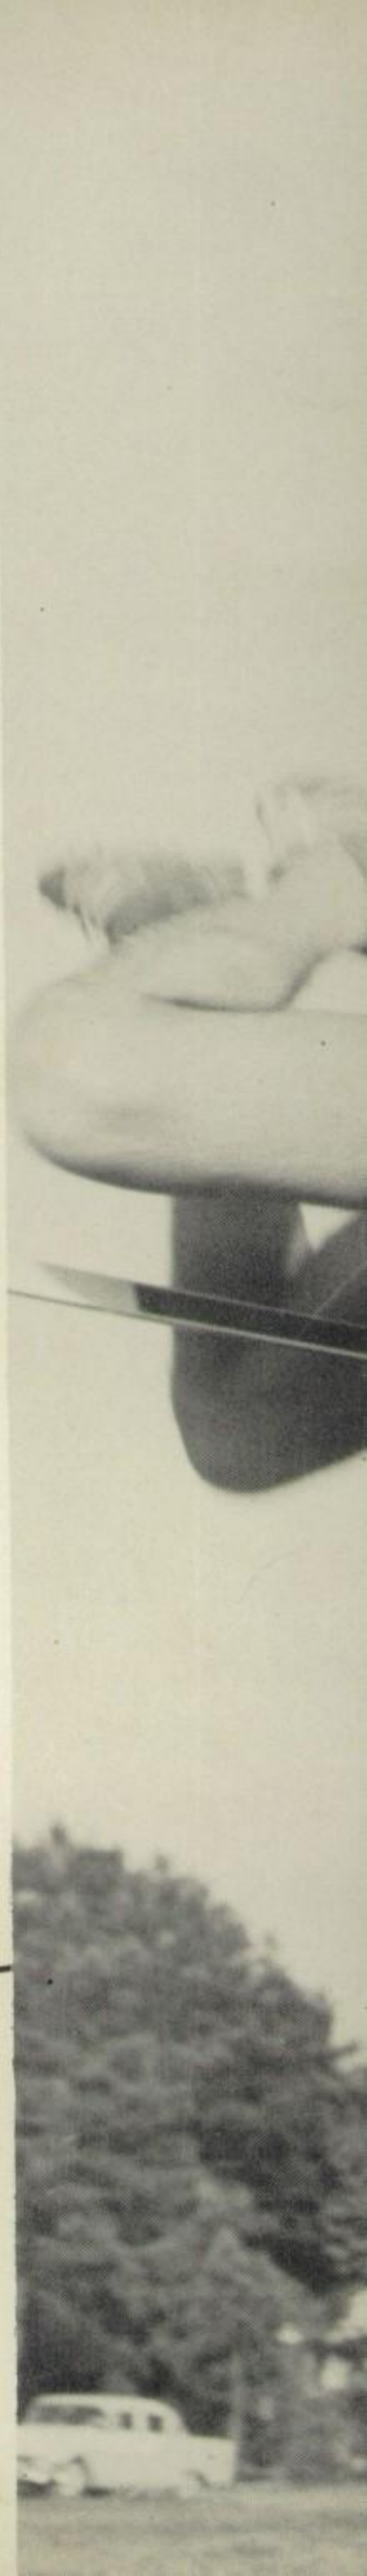

Colorfully costumed dancers, with the grace of sea-nymphs, stage a grand finale around the May Pole.

**SHRINE BOWL DELEGATE**

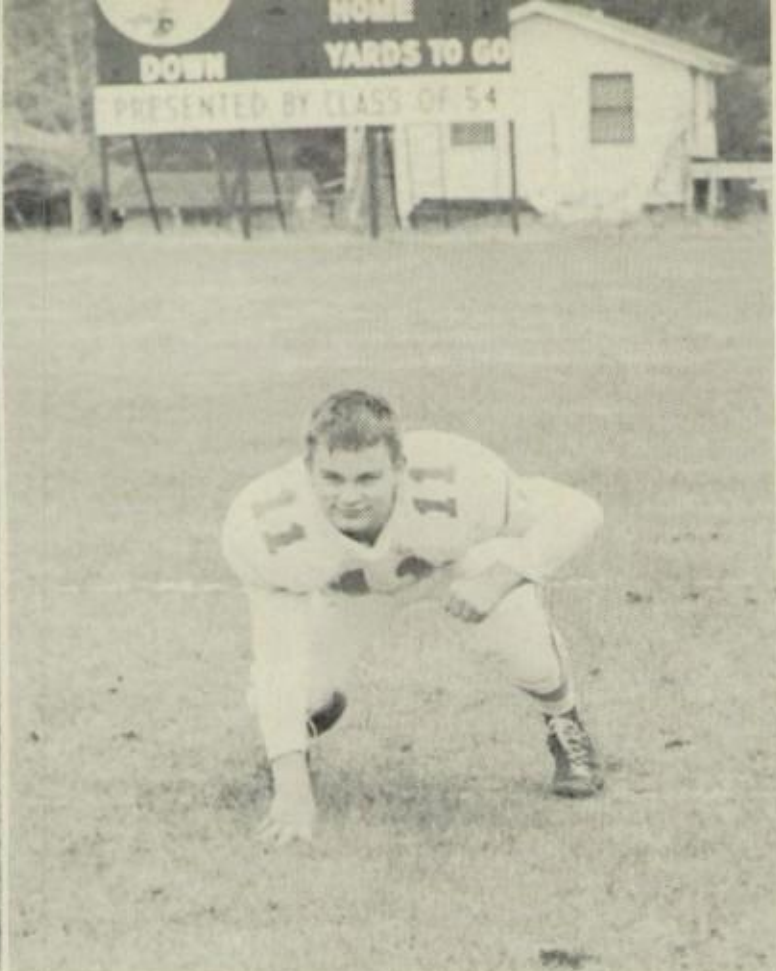

Dickie Smith

The Conway Tigers started the season with a group of experienced boys and proved this by beating AAA rival, Brooklyn Cayce, 33-7. The Tigers then clawed Marion 34-0. They went on to beat Florence, Charleston, and Loris, respectively. With a flu-ridden team, the Tigers suffered an upset by neighboring Mullins. Two weeks later, another loss was handed the Tigers by powerhouse Dreher. The Tigers ended the season by mauling rival Georgetown 26-0. This was the worst Georgetown had been beaten by Conway in over seventeen years.

4/8/58

Vera Jo,  
I shall always remember many moments we have shared together. But now they remain as only fond memories. Next year as I go out into life on my own I shall think of you often. I know that life has its hardships and sorrows, but with help from my Heavenly Father maybe they will be overshadowed with joy and happiness. Vera, I never thought about graduating from high school with a serious thought, but it is a sad and a joyous occasion. Someday you will know the feeling.

Vera, you are a sweet girl. Always stay that way. Hope you the best of everything in life, and may your fondest dreams come true. You can if you only will. So be sure you do - succeed in life.

Maybe someday you will see me dressed in a uniform of white (purity). Ready and willing to help my fellow man. That will be the happiest day of my life. What I have always dreamed of doing. Pray that God will always guide me in everything I undertake.

Good luck to you always and keep plugging and you will go places.

Love ya lots!

Betty Jean

Dear Vera,

May you have the best of everything, because you deserve it, & even more. I could never say enough to tell you how much it has meant to me, having you as a cousin. And best of all my 1st cousin. Vera, you could never be any sweeter than you are now, that is if you ask me, and I guess that is one reason you deserve the best. May God bless you, and may you have all the happiness in the world.

Love, Mildred
